The Humane Society of Southwest Missouri is an independent, 501(c)3 non-profit organization licensed by the Missouri Department of Agriculture. We operate the only open-admission humane society in Southwest Missouri, which means that we accept dogs and cats that are strays or are surrendered by their owners.

With the support of the community and the hard work of volunteers the Humane Society of Southwest Missouri has been helping homeless, innocent, loving animals since 1956. In 2011 we adopted over 2,200 dogs and cats. Thank you for making this possible. If you are interested in learning how you can help, visit www.swh.org.
